Welcome to our 2012 Report to the Community.

Taking the time to look back on our accomplishments and challenges in the past year is always a good exercise. It allows us to celebrate the things gone well and to learn from the things that could have perhaps gone better. Experience is the best teacher.

It's no wonder the Girl Scout Leadership Experience (GSLE) is just that: an experience. Our programming affords our members (and our volunteers) the luxury of multiple experiences, and it is through these experiences that we can *Lift Her Up*.

Our volunteers are the foundation of the Girl Scout Leadership Experience. While the experiences are girl led, involve learning by doing, and focus on cooperative learning, we could not do it without our teams of volunteers who support the GSLE. The volunteers are there, again, to *Lift Her Up*.

Our donors are critical as the GSLE provides positive life-changing experiences to all girls, regardless of their ability to pay. Along with the Girl Scout Cookie Program, the donations from our supporters are essential to our ability to *Lift Her Up*.

And as we look forward to another year of challenges and accomplishments, it is with the understanding that all of the experiences we will share will be part of our combined efforts to *Lift Her Up*.

Thank you to all of our volunteers, staff, and donors who are here every day for our girls. We could not do it without you... you are the shoulders upon which we will *Lift Her Up,* and for that, we are most grateful.

Girl Scout Mission

Girl Scouting builds girls of courage, confidence, and character, who make the world a better place.

The Girl Scout Program

Grounded in the Girl Scout Promise and Law, Girl Scouting is a non-formal, experiential, cooperative education program that promotes girls' personal growth and leadership development. Partnering with caring adults, girls design fun and challenging activities that empower them and raise their voices within a local, national, and global sisterhood.

Girl Scout Promise

On my honor, I will try
to serve God and my country,
to help people at all times,
and to live by the Girl Scout Law.

Girl Scout Law

I will do my best to be honest and fair, friendly and helpful, considerate and caring, courageous and strong, and responsible for what I say and do, and to respect myself and others, respect authority, use resources wisely, make the world a better place, and be a sister to every Girl Scout.

Financial Report

During the 2012 fiscal year (October 1, 2011-September 30, 2012), our Council allocated 84% of our financial resources to fund Girl Scout programming.

Although we continue to work on our key priority of diversifying our revenue streams, Product Program remained our main source of revenue in 2011-2012.

- Product Program revenue increased 6%
- Retail sales and program fees remained the same
- Other income increased 1%
- Public support and United Way contributions declined 7% due to multi-year United Way allocations.

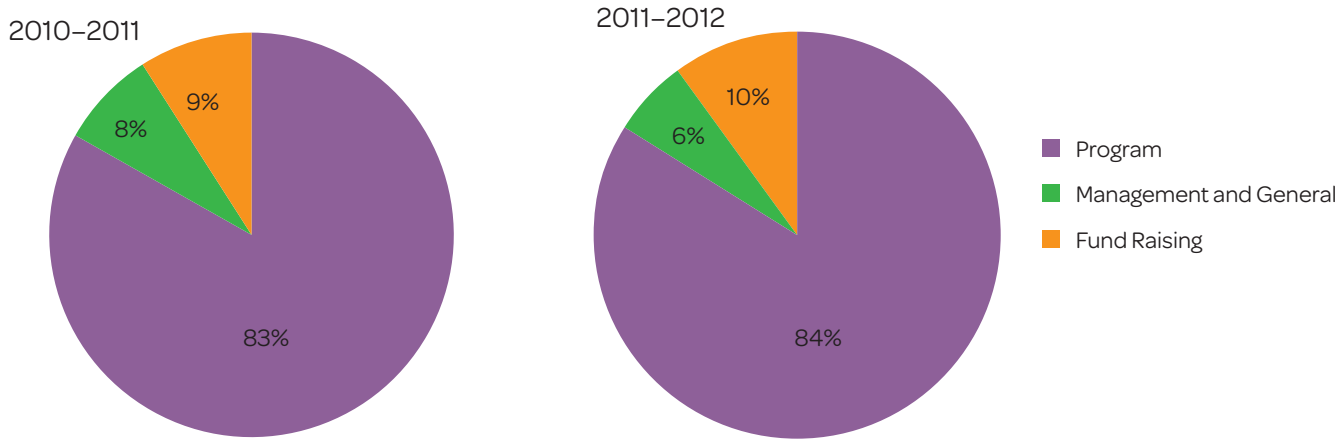
Expenses



"As a Girl Scout, you learn to be comfortable with who you are. If you are interested in something, you go for it! If you set your mind to something, you take the steps to accomplish it."

- Anne Roubal, GSNWGL lifetime member

In 2012:

71% of local Girl Scouts participated in self-esteem building programming.

61% of local Girl Scouts learned practical life skills.

98% of local Girl Scout volunteers reported that our programming helped their girls develop a strong sense of self.

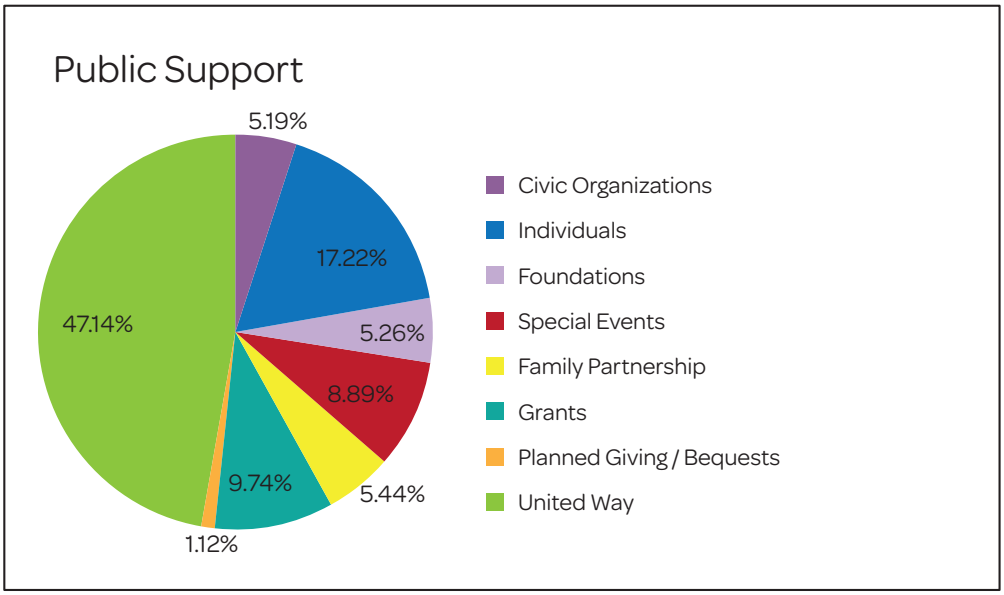
97% of local Girl Scout volunteers reported that their Girl Scouts worked well together as a team.

92% of local Girl Scout volunteers reported that their Girl Scouts felt empowered to make a difference in the world.

Fund Development

The funding levels during the 2012 fiscal year were steady, and we had several special campaigns to commemorate our centennial. We asked donors to join the Century Club with a donation of $100 and solicited businesses to join for $1,000. Both campaigns were successful with a combined total of 68 donations totaling nearly $14,000.

We also celebrated 100 years of Girl Scouting with birthday parties throughout our Council. These were small gatherings of friends who shared Girl Scout stories and asked for donations in honor of our century of service to girls. These new outreach campaigns increased the number of donors from the previous year by 7%.



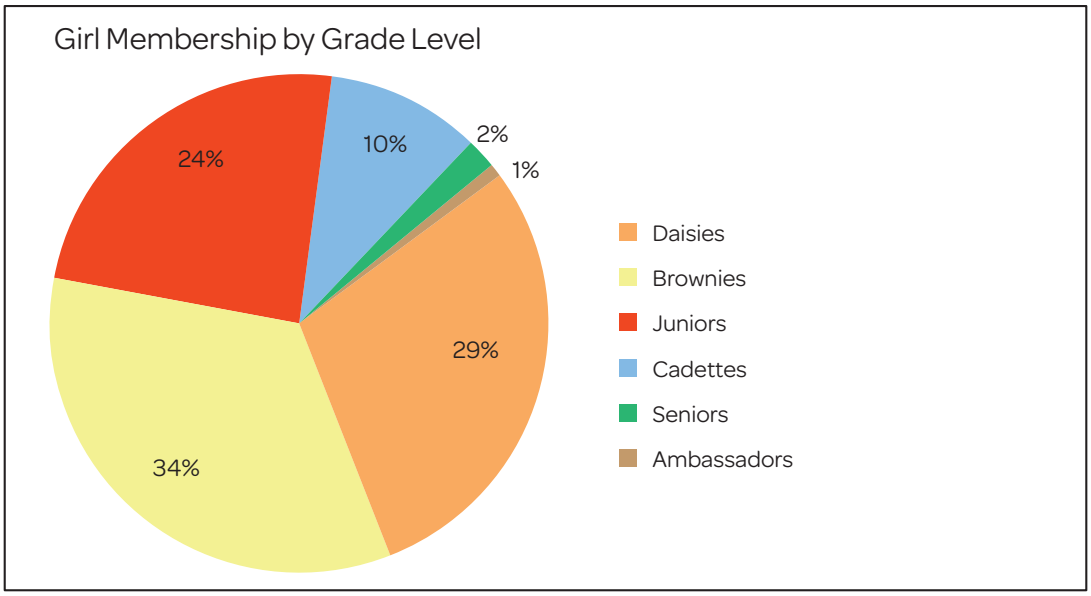
"We love our cookies, s'mores, and Girl Scout camp, but there is so much more to who we are and what we can do. Girl Scouts everywhere are working to make the world a better place."

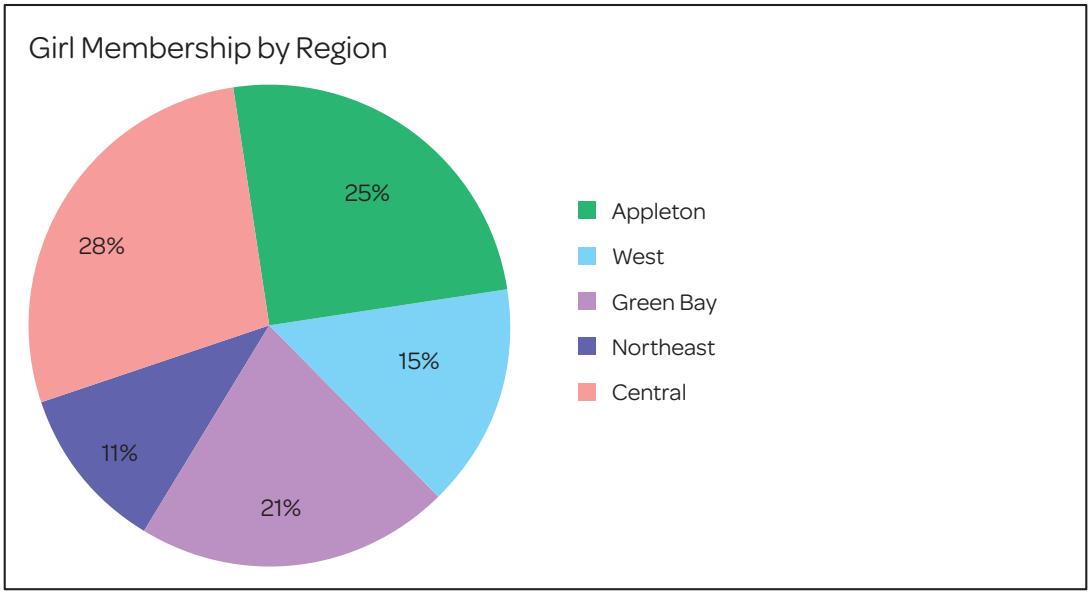
–Jessica Weindling, Girl Scout alumna

2011–2012 Membership

For the second year in a row, our Council reported membership growth. Over the last three years, while national membership numbers have decreased overall by .1%, our Council membership numbers have grown by 6.2%. Additionally, after four years of adult membership decline, we had an increase in adult membership by 3.9%.

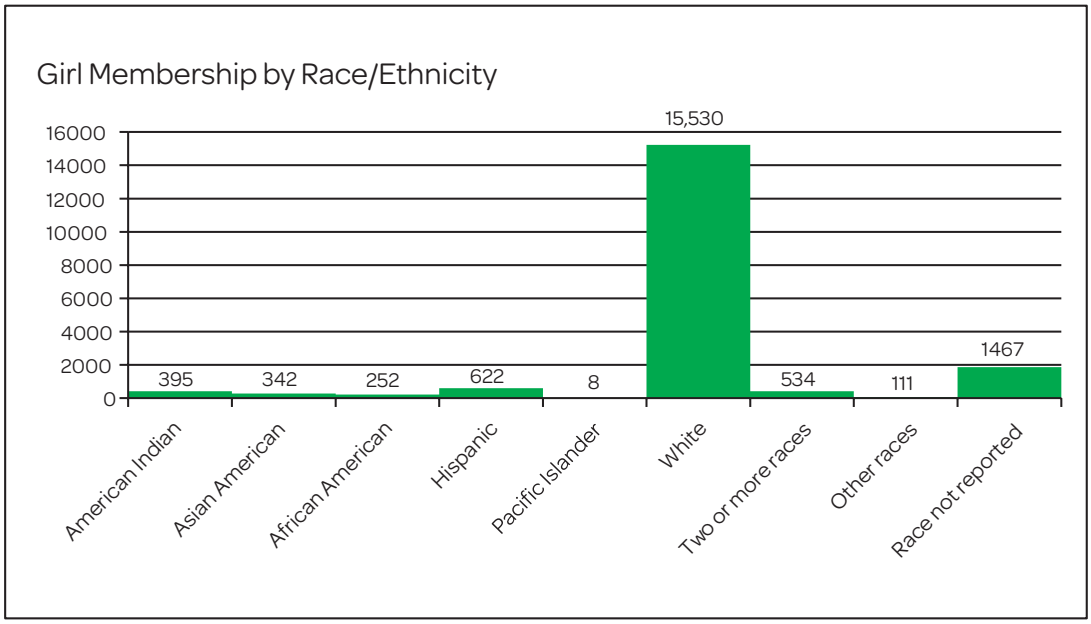
2011-2012 Girl Membership Goal- 18,600
2011-2012 Girl Membership- 18,645

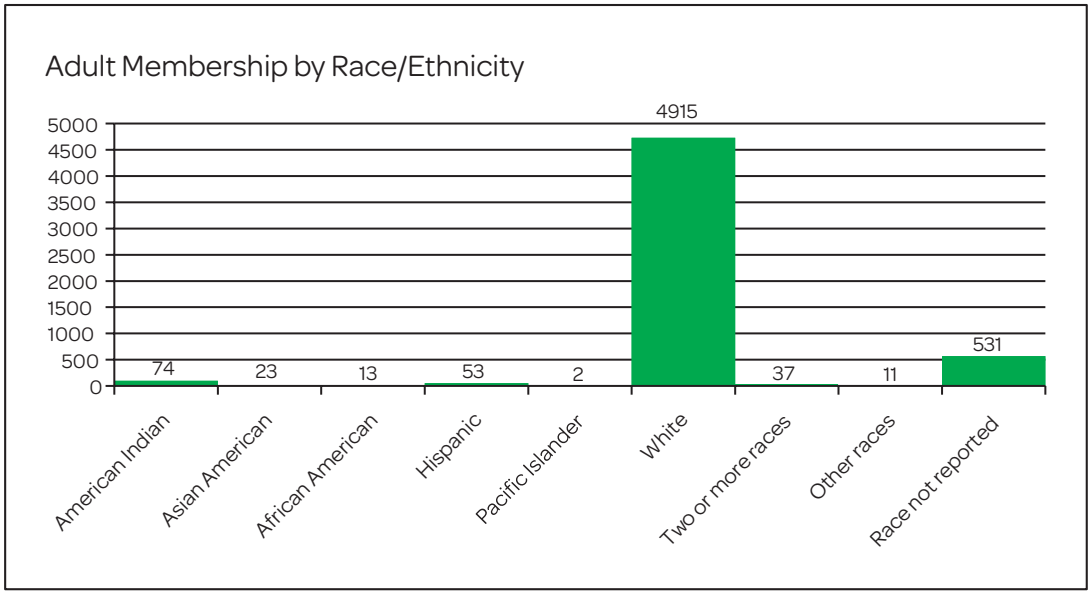




*Please note that these regions are our operational regions, not the governance/ delegate regions.

While we were pleased to see growth in both girl and adult memberships, we saw a decline in member retention. Dedicated efforts to bring the Girl Scout Leadership Experience to additional girls will continue to be a focus for membership in 2012-2013. Additionally we are increasing our strategic efforts to retain both girls and volunteers through expansion of our older-girl programming such as Leadership Council and travel opportunities, more extensive training and support for new volunteers, and bringing programs closer to girls by assisting Service Areas with developing their programming in all communities across our Council.





*Please note that our members were given the option to check multiple races and ethnicities that properly reflects their heritage.

Awards & Recognitions

2011-2012 Girl Scout Gold Award Recipients

The Girl Scout Gold Award is the highest and most prestigious award a Girl Scout can earn. Girls working on their Gold Award projects are expected to address the root cause of a community issue to ensure a lasting change is made. When girls earn their Gold Awards, they are set apart on college and scholarship applications, automatically enter the military one rank higher, and realize their potential for a lifetime of active citizenship.

Congratulations to the 2011-2012 Girl Scout Gold Award recipients:

Live forever in the hearts and dreams of local girls by including Girl Scouts in your estate planning. Call for details.

We carefully review all of the information for the honor roll in our Annual Report. Please contact Fund Development at 888.747.6945 or development@gsnwgl.org if we have misspelled or overlooked something. Thank you in advance.

I would like to donate!
