The possibility of representing girls on the Board of Directors for the Girl Scouts of the Northwestern Great Lakes (GSNWGL) is a tremendous leadership opportunity. Board meetings will be held during the school day, and you must commit to attend approximately four (4) meetings per year, in person, by phone, or teleconferencing, as meetings are held around our Council area.

The perspective of a girl member on either the board or a board committee is crucial to GSNWGL to help keep our focus on our mission for girls today and in the future.

Girls must be 16-18 years of age for the 2016-2017 school year for board position, and14-18 for board committee.

I agree that my daughter has permission to apply for the Girl Scout Board of Directors, and understand the time commitment and responsibilities involved. If selected I understand that she will be asked to attend some meetings during school hours, and I will help her meet that commitment.
