The possibility of representing girls on the Board of Directors for the Northwestern Great Lakes is a tremendous leadership opportunity. Board meetings will be held during the school day, and girls must commit to attending approximately 4 meetings per year in person, by phone or via teleconference.

The perspective of a girl member on either the Board or a Board Committee is crucial to GSNWGL to help keep the focus on our mission for girls today and in the future.

Girls must be 16-18 years of age for the 2016-2017 school year for board position and 14-18 for board committee.

I recommend _____be considered for

- ❑ Non-voting member of the GSNWGL Board of Directors
- ❑ One or more board committee positions
- ❑ Both the GSNWGL Board of Directors AND one or more board committee positions
