

BOARD of DIRECTORS

Girl Member Recommendation

4693 N. Lynndale Drive Appleton, WI 54913 888.747.6945 www.gsnwgl.org

The possibility of representing girls on the Board of Directors for Girl Scouts of the Northwestern Great Lakes (GSNWGL) is a tremendous leadership opportunity. Board meetings will be held during the school day, and you must commit to attend approximately four (4) meeting per year, in person, by phone, or teleconferencing, as meetings are held throughout our Council.

The perspective of a girl member on either the board or a board committee is crucial to GSNWGL to help keep our focus on our mission for girls today and in the future.

Girls must be 16-18 years of age for the 2013-2014 school year for board position, and14-18 for board committee.
